

E-Cycle Wisconsin List of Unregistered Manufacturers and Brands DO NOT SELL as of 2/27/2014

The following manufacturers have not registered their listed brands in Wisconsin. Covered electronic devices (CEDs) from the brands listed below **may not be sold** to Wisconsin households, K-12 public schools and Parental Choice Program schools (s. 287.17(2)(c), Wis. Stats.).

CEDs include televisions, computer monitors and e-readers with a screen of at least 7" in the longest diagonal direction; desktop, laptop, netbook and tablet computers; and desktop printers and printer-fax-scanner-copier combinations. For more information, visit <http://dnr.wi.gov/topic/ecycle/>.

****Please note that appearing on this list does not automatically mean a manufacturer is not complying with Wisconsin's electronics recycling law. Wisconsin has no formal method for listing manufacturers as exempt if they do not currently sell CEDs to Wisconsin households or covered schools.**
